

## **SECTOR BASED SKILLS ACADEMY**

### **Adult Social Care**

**Adult Social Care course covering a full Level 1 accredited qualification over 4 weeks.**

**Social care is an area always seeking trained and competent workers within it's industry and our Level 1 course is designed to not only help you achieve the required level of competency but to build confidence in your own abilities and skills.**

**In the current climate it is even more essential to prepare customers wishing to enter this valuable profession and our tried and tested course does just that. We address many of the issues that arise in a caring environment and discuss a variety of scenarios within this industry including equality and diversity, prejudice and discrimination and the skills required to work within the industry.**

**All our courses are linked to local employers that have current vacancies and upon completion you can have a guaranteed interview at one of these employers.**

**Candidates will need to be at high end Entry Level 3 English and be fully flexible.**

**Get your work coach to book an initial assessment with us at Caudon College.**
