

ADULT SOCIAL CARE

- Full Level 1 qualification in Adult Social Care
- 4 weeks training in Adult Social Care
- Guaranteed interview with local employer
- full and part time hours available

Social care is an area always seeking trained and competent workers within its industry and our Level 1 course is designed to not only help you achieve the required level of competency but to build confidence in your own abilities and skills.

We address many of the issues that arise in a caring environment and discuss a variety of scenarios within this industry including equality and diversity, prejudice and discrimination and the skills required to work within the industry

How to apply: Get your work coach to call or apply directly all 01782 227650 to book an assessment appointment.
