

VOTE FOR ANIQAH

FOR EXECUTIVE OFFICER

Hi, my name is Aniqah, I am studying level 3 health and social care. With my experience and passion for the college, I think I can make a change to the college. I would be honored if anyone votes for me to become an Executive Officer for the Students Union.

TALK IS CHEAP, VOTING IS FREE PLEASE VOTE FOR ME! I will fight for the things that are important to students

whether they are small or big.

I would like to tell you a little bit about myself. I have a very caring and positive nature. I work well in a team and independently as I am always up for new challenges. I have experience of doing various things for the college this year as I was one of the peer mentors for the college. I have helped peers when they were in difficult situations and organised culture day with other peer mentors to promote equality and diversity.

Hopefully if I am elected, I will make sure that every learner's voice is heard. If I was the executive officer, I would make sure that everyone is welcomed and make them feel they are in a safe environment at the college. I would like to introduce some ideas that I have that could improve your experience at the college for example:

- I would like to add a women's football club on the enrichment
- Having curly fries added to the Cauldon campus menu
- A vending machine in the canteen
- A bigger smoking area and more chilling areas
- New equipment for the student union
- More cultural events throughout the year
