

VOTE FOR COLLETAH MAKOKORO
FOR EXECUTIVE OFFICER

My name is Colletah, and I am studying Level 1 Health and Social Care. I would really like to represent the college as an Executive Officer, as I have a deep commitment to student empowerment!

I am a very kind and helpful individual and I would like to make an impact to our college! I am a great listener; I would like to consider the viewpoints of diverse sets of learners at the college!

As an Executive Officer, I would like to support my peers in their decision-making. I would also like to be an active leader at enrichment, supporting Amy to deliver sports such as Volleyball and Basketball. I would like to introduce activities for learners whereby they could have fun and learn different things for instance dance and music sessions .
