FOR  
ME**

**VOTE FOR DORCAS AWOYEMI  
FOR VICE PRESIDENT CAULDON**

**VOTE  
FOR  
ME**

My name is Dorcas, I am originally from Nigeria and I am currently studying Level 3 Health and Social Care at the college! I am an active member of the college, as I am a peer mentor and a student council team member. **I would like to be elected as the Vice President at Cauldon as I think I could make a positive different at the college!**

I am a very caring individual who supports others and taking into consideration the opinions of others. I am very open-minded to new ideas and I would like to gather learners' perspectives for future enrichment.

If I was elected into the Vice President position, I would like to campaign for more quiet spaces for learners to relax and unwind away from the active Students' Union. Other ideas for the future of enrichment at the college include:

- Proposing extended library hours to support learners during the exam period.
- An annual dance and singing event using the sports hall whereby learners could compete.
- Hosting a wide range of sports tournaments to **fundraise for local charities**. This could support students raising money for South Africa.
- I would like to work with Amy to raise team-spirits within the college community.
- I would also like to make sure learners voices are heard and converting their opinions into action!

**VOTE FOR PROGRESS, VOTE FOR YOUR VOICE BEING  
HEARD, VOTE FOR DORCAS AS YOUR NEXT VICE  
PRESIDENT!**
