

VOTE FOR JADE DOYLE

VICE PRESIDENT CAULDON

Hi, my name is Jade Doyle and I am studying Level 2 Patisserie and Confectionary! I am an active member of the college community and I am passionate about enrichment. I am a member of the student council; student voice and I have taken part in Challenge South Africa and Challenge London! From these experiences, I have many ideas for the future of the college!

I am a friendly and bubbly individual and I enjoy spending free time with my friends and animals. I have 3 horses named Harry, Rocky and Belle and 3 dogs called Zena, Bailey and Belle.

My experience with college enrichment has given me an insight into positive changes that could be made to enrichment and in the Students' Union. **I am a good listener and I would ensure that the ideas of a variety of learners were heard and communicated effectively!**

If I was to be accepted into the Vice President position, **I would like to provide new activities for learners to engage with in the union. For example, I have noticed that few students use the football table in the Students' Union and I would like to replace it with a new activity!** I would also like to make the enrichment timetable as accessible as possible to learners on site, **to give everyone the opportunity to get involved in all the college has to offer!**

VOTE FOR ME!!
