

# VOTE FOR KYLE SIMPSON!

Hi, my name is Kyle and I am studying Level 2 Public Service! I would like to make positive changes in the college and support my fellow peers!

I would like to promote respect in the union to others and treat the equipment, with care!

I am a caring person; I make sure people are doing okay on a daily basis! I can have a laugh and not take things too seriously! I try my best with all enrichment including Dodgeball, Netball and Football! I have a laugh with anyone in these activities.

If I was Executive Officer, **I would make sure that others' voices are as important as mine. I would make everyone feel welcome and ensure they have a voice to make changes!**

I really enjoy the current enrichment programme and I would be keen to support Amy. If I was elected, **I would choose for Darts to happen on a more frequent basis to accommodate more learners.** I would also like **more posters to be put up to celebrate diversity at the college, to show that everyone matters!**
