

# **VOTE FOR LEEROY CHIWARA FOR VICE PRESIDENT CAULDON**

Hi my name is Leeroy, I am studying Level 1 Health and Social Care. I **am applying for the Vice President position because I want to promote friendship and integration into the college community!**

I am a very sociable person and I like to listen to peers and provide help and support, in any form! I am passionate about many sports such as basketball and I would like to promote enrichment in the union to encourage other learners to join!

If I had the position of Vice President, **I would like to promote student wellbeing and equality and diversity and also lead** on events such as Multicultural Day and integrate a variety of cultures.

**VOTE FOR LEEROY, FOR POSITIVE CHANGE!**
