

Vote for me as Vice President

I am Declan Murray and I am running for Vice Presidency here at the Burslem campus. Here at Burslem I am studying BTEC Level 3 Applied Science. I am doing this to ensure that learners here can maximise their learning experience here whilst also using the college to its full ability. This is to create a community and allow for everyone to feel included in everything they do.

My plans.

My plans for the college include making improvements to the Learning Resource Centre (LRC), creating extra-curricular opportunities and listening to the voices of my peers to make the changes that are necessary to make this college the best it can be.

Clubs I would create.

Pool, Darts and Table Tennis which would take place in the Games Room.

Football, Cricket, Badminton and Basketball which would take place in the Sports Hall

Why vote for me?

If you feel like your voice could make a difference within the college you should vote for me. This is because I am willing to listen to you and your friends ideas as to how we should improve this campus and make your experience as enjoyable as possible.
