

## **VOTE FOR MARJO PUPAZA**

### **FOR EXECUTIVE OFFICER**

*Hello fellow students, my name is Mario Pupaza. I am studying Level 2 Public Services. I am an active member of the college and in this position, I would like to support new students considering Public Services.*

*I am a good team leader and I can be a good problem solver. I have good listening skills and I have a non-judgemental approach to others. If I was elected into the position of Executive Officer, I would like to use these skills to help my peers to raise aspirations by providing support and guidance.*

*As an elected executive officer, I would like to continue the colleges' efforts to promote diversity and culture. I would create an election whereby people could vote for different ideas of events of ways to celebrate diversity. For instance, I would like to celebrate the cuisine of a variety of cultures by getting learners to bring in traditional foods. I would also like to develop enrichment at the college by setting up events such as picnics in the summer as a celebration of completing the academic year.*
