PLAN YOUR EVENING

COURSE DISCUSSIONS & INFORMATION

Take a closer look at the subjects and programmes that interest you. Meet our teaching team and our learners, hear about your chosen programme of study and take the opportunity to ask any questions you may have.

Our subject discussions will give you valuable insights into course content, career pathways and the skills you'll gain on each course.

To really get the most out of your visit, make sure you view the live demonstrations and check out the hands-on activities taking place in each area.

This is a fantastic way to get a real feel for the subjects that inspire you and see our equipment, facilities and resources in action.

TOURS

Within each building you will have the opportunity to view our industry-standard facilities.

For the majority of our courses, the facilities relating to your chosen subject area(s) will be available to view in the building you are in. However, if you are interested in Sport or Public Services please ask a member of subject staff for a tour of our facilities in these areas.

REFRESHMENTS

**Hammersley & Terrace Restaurants,
Lifestyle Building**

Enjoy complimentary tea, coffee, and light refreshments prepared by our talented Catering learners, available throughout the evening. Take time out of your evening to be served by our learners in our Hammersley Restaurant or grab and go from our Terrace Restaurant.

APPLICATION STATION

**Hammersley Restaurant,
Lifestyle Building**

**Found the right course for you?
You can complete one of our short
application forms and hand it to

ADMISSIONS

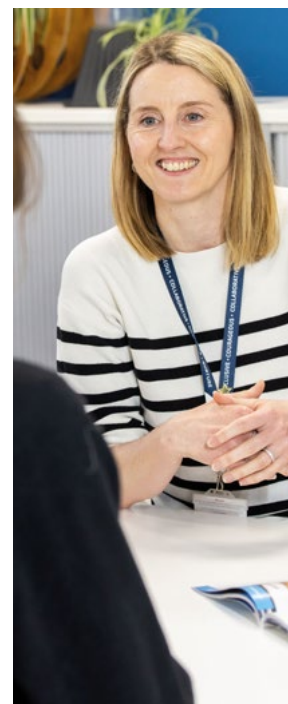

Our Admissions Team are on hand to talk you through the application process and answer any queries you may have. We're here to make the application process as smooth and straightforward as possible.

APPRENTICESHIPS

Visit the team to get the lowdown on our range of Apprenticeships, providing a unique opportunity to gain hands-on experience in your chosen field while working towards a qualification. Our team can walk you through the different Apprenticeships available, entry requirements and the benefits of combining work with study. This is a fantastic option if you're looking to fast-track your career, build industry connections and start earning from day one.

CAREERS

Unsure which route to take? Our friendly Careers Team are on hand to help. They can help you explore your options and find the course that best fits with your interests, strengths and career aspirations. Whether you're deciding between different subjects, considering an Apprenticeship, or exploring your options, let us help you take the next step toward your future.

FINANCIAL SUPPORT

At Stoke on Trent College, we understand that every learner's circumstances are unique. We offer a variety of tailored support packages to help make college life more accessible and affordable, including free college bus travel, support with uniform and equipment costs, free college meals, bursaries and more (subject to criteria). Visit our Student Finance Team for more information.

LEARNING SUPPORT

Our dedicated team of professionals are on hand to give advice and guidance on our support services. If you have a special educational need or a disability, the team will be there for you every step of the way, providing tailored support to help you get the most out of learning. From personalised learning plans to specialist resources and equipment, we will work closely with you to create a supportive and inclusive learning experience.

STUDENTS' UNION

Our award-winning Students' Union is dedicated to making your student experience truly exceptional through our exciting range of life-changing enrichment activities. Explore new skills, volunteer for a good cause or stay active and fit with our clubs and societies, short courses and flagship International Challenge programmes.

USEFUL INFORMATION

VISITORS WITH DISABILITIES

If you have any specific support needs, please speak to a member of staff for advice and guidance.

FIRST AID

If you need any assistance during your visit, please speak to a member of staff for support.

FIRE ALARM

If a fire alarm sounds, leave the building by the nearest exit. A member of staff or student ambassador will direct you to the nearest fire assembly point. Do not use lifts or re-enter the building until staff confirm it is safe to do so.

PHOTOGRAPHY & FILMING

Some photography and/or filming will be taking place during the event for us to use in future College publicity material. Please let the photographer know if you don't wish to appear in any photos or video footage.
