

## VOTE FOR COLLETAH MAKOKORO FOR EXECUTIVE OFFICER

My name is Colletah Makokoro and I am running for the position of Student Executive Officer because I believe in a college where every student voice is heard, every concern is addressed, and every opportunity is accessible. I am a committed student who genuinely cares about our college.

As a Student Union Executive Officer I would enjoy working alongside Amy in the Student Union to encourage my peers to demonstrate positive behaviour. I am an incredible kind individual and I would continue the culture of inclusivity and equal opportunities that currently exist at the college.

I am passionate about equality and diversity and as a Student Union Executive Officer I would like to take an active role in events such as Multi cultural events .In addition I would also like to introduce ability counts for a wide range sports around the college to provide a wide range of opportunities for all learners at college.
