Hello, my name is Nwanguma Daberechi Destiny and I am currently studying Level 2 Extended Diploma Health and Social Care. I am a very active, determine, and courageous person, full with compassion, commitment and confidence. As your Vice President, I would be committed to listening to the views and opinions of my peers and escalating these to ensure that positive changes can continue to be implemented throughout the college. I am a creative person who enjoys problem solving, as a Vice President I would be committed to continuing to improve student experience during their time at the college.

I am passionate about supporting student mental health and as Vice President I would signpost learners to the amazing support services that we offer internally at Stoke on Trent College. I would also like to introduce a Wellbeing Club, which could be a permanent feature in our enrichment programme as a form of extended support. I am also a keen actor and I would like to establish an Acting Enrichment Club at the college. I would like to take an active role, leading on this enrichment programme and encourage learners from across the college to get involved. Shows could be displayed throughout the calendar year to showcase the talent amongst learners at Stoke on Trent College.

Yes, we can!
