

# VOTE FOR DAVID IGWE

---

## **FOR EXECUTIVE OFFICER**

I am studying Multi Trade, and I want to make a real change in college!

I am ambitious, resilient, and friendly. I always listen and take on board what others have to say.

## **Here's what I'd like to focus on**

- Make badminton a team sport in college – giving students more choice in physical activity and building community through sport.

I'm committed to representing students' voices and making sure everyone feels included, heard, and supported. Let's work together to make the college experience better for everyone.
