

Vote For Me!!! Kirstie Gray

Student Union Executive Officer

Hello, my name is Kirstie Gray and I am currently studying Routes to Employment. I am a committed member of the Students' Union, as I held a position on the Students' Union Executive Committee Team 2024/25 and I was an active member on the Youth Social Action Team. I would like to continue this positive work next academic year to represent my college community.

I am an approachable student, that cares about the values and opinions of my peers in college. I am committed to continuing the positive culture of inclusivity and providing equal opportunities to learners from all areas of the college.

I am a considerate individual who always welcomes different opinions.

As an Executive Officer, I would like to help Amy to continue the positive culture in the Students' Union and encourage cross-college participation within our Enrichment Programme. I have highlighted some of my main goals below:

- To continue to promote enrichment clubs across the college to ensure that there is a widespread awareness of the activity's learners can engage in during their free time.
- To support Amy in the Students' Union and encourage positive, responsible behaviour.
- To continue to create a welcoming environment in the Students' Union and around the college.
