

# **Leighton Gent for Vice President**

**Hi, my name is Leighton Gent I have been a student at Stoke on Trent College for 3 years and I am currently studying Level 3 Sport and Exercise Science. I take an active role within the cross-college enrichment programme, being a member of the Students' Union Executive Committee Team and the Youth Social Action Team. I would like to become Vice President to further contribute to making a positive impact on the learners at Stoke on Trent College.**

**I am a confident leader who has the ability to listen to a wide range of perspectives. As a Vice President, I would ensure that the views from learners in all areas of the college are valued and fed back in Student Council and Learner Voice Conferences.**

**As a Vice President, I would like to diversify the options in the canteen and introduce healthy options such fruit bars and fruit juices. In addition, I would like to introduce new enrichment activities such as a college Rugby team to give people new opportunities to try different sports!**

**Vote for me for Vice President!!**
