ENRICHMENT

AT STOKE

ON TRENT

COLLEGE

This booklet is your essential guide to the College's Enrichment – Sport and Social Action Programme.

It is an A–Z of new and exciting activities that all students at Stoke on Trent College can take part in every week, alongside your course, enhancing your learner experience. If you have any questions regarding Enrichment, please call into the Students' Union Common Room at either Burslem or Caudon Campus. Enrichment at Stoke on Trent College includes a wide range of sporting activities, personal development opportunities, social activities and events. There really is something for everyone, so don't miss out... Get Active, Get Involved!

WHY TAKE PART IN ENRICHMENT?

Through our Enrichment Programme you will have a wide range of opportunities to explore and develop the values, knowledge, confidence and skills to prepare you to successfully progress to employment or university.

It's also a great opportunity to:

Participate in Civic Engagement and Community initiatives

Embrace Arts and Culture

Explore the great outdoors, nature and experience new adventures

Engage in sport and physical activity, and make healthy choices

Develop wider life skills

If you have any other questions relating to Enrichment, contact **Calvin Austin** on **07786 113853**.

CHALLENGE STOKE-ON-TRENT

Youth Social Action

Are you passionate about Stoke-on-Trent? Do you enjoy giving back to your local community?

As a member of the Youth Social Action Committee, you will take an active responsibility within our City, with the aim of tackling social issues in our local area. You will be a lead facilitator on the programme, using creativity and problem-solving skills to collectively identify ways learners at Stoke on Trent College can positively impact our community. As part of the programme, you will work with local charities and organisations and the individuals they support. This is an incredible opportunity to develop your social and personal skills and to contribute to the positive development of our diverse City!

For more information contact Amy Marsh on **07500 992973** or visit the Students' Union.

ABILITY COUNTS FOOTBALL

Wednesday 11:00am–12:00pm

All cross-college enrichment activities begin week commencing 21 September 2026.

In addition to these weekly and monthly activities, you can contact Calvin Austin on **07786 113853** for information on where and when to find our Short Courses, Inter Campus Sports Competitions, Institute of Sports Performance and Leadership & Volunteering opportunities.

WELLBEING SERVICES

It's really important that you look after your wellbeing and the College is here to help with a wide range of services including the Mentoring and Counselling Teams, the Sexual Health Team and Teenage Pregnancy Advice Service (STAR).

MENTORS AT A GLANCE

Our Mentors are passionate about engaging with learners in innovative and diverse ways. They lift barriers to learning by providing support including 1-2-1 sessions, group work, workshops and referrals to outside support agencies. They can help with a wide range of issues including: social skills, money and time management, housing, self-esteem and confidence building, careers, emotional awareness, relationships, drug and alcohol abuse, sexual health and much more!

COUNSELLING

All learners are more than welcome to make a referral into the Counselling Service. It is a safe and confidential space to explore your thoughts and feelings about anything you would like. There is no problem or concern too big or too small to bring to counselling. To make a referral, simply visit the Counselling page on Canvas, or scan the QR code below.

The Counselling Service also offers 'drop-in' sessions, support groups and runs a coffee morning every other week, which anyone can attend. For more information about any of this or counselling in general, please visit the Counselling Canvas page. To contact the service directly, email counselling@stokecoll.ac.uk.
